Before the court is the defendant's letter application dated April 20, 2009, seeking to compel the plaintiff to produce documents withheld on the basis of the attorney-client and/or work-product privilege. The court cannot resolve the motion on the papers before it. Accordingly, by May 5, 2009, the defendant is to provide the court with a document that identifies the people listed on its privilege log and their position or relationship to the company.
